### Activities and Interests

When Im not practicing medicine, I enjoy flying drones, crocheting, and sewing to maintain manual dexterity. I also enjoy writing short stories when I have the time, and I offer free medical services down at the community center every weekend. I've recently taken up meditation, which has improved my focus at work and my personal relationships.

*07/2015 to 03/2017*  
Junior Medical Doctor • Pro-Health Medical Care  
• Syracuse, USA

Provided direct medical care and treatment to patients based on medical histories, physical examination or screening evaluations as well as referred them for specialty care and hospitalization in emergency or serious medical cases Built and maintained strong relationship with patients and their families by providing emotional support as well as through proper education about course of treatment, medication, and disease prevention Reviewed medical policies, procedures, and protocols as well as attended health promotion and community service programs Ordered diagnostic procedures and interpreted laboratory tests needed for treatment as well as documented patients' diagnosis and treatment
