

JOHAN MARC DOE

Medical Doctor

PROFILE

Adept medical doctor with eight solid years of practice experience. Dedicated to exemplary patient outcomes and following all necessary medical procedures with the use of the latest industry equipment and technology. Strong focus on listening to and addressing patient concerns and answering all questions in terms patients can easily understand. Willingness to work with all members of the medical team and listen to their suggestions and input to improve results and maximize patient satisfaction. Specialized as

a general internist during residency, providing me with knowledge of a range of health issues that impact internal organs.

HOBBIES

When I'm not practicing medicine, I enjoy flying drones, crocheting, and sewing to maintain manual dexterity. I also enjoy writing short stories when I have the time, and I offer free medical services down at the community center every weekend. I've recently taken up meditation, which has improved my focus at work and my personal relationships.

serious medical cases Built and maintained strong relationship with patients and their families by providing emotional support as well as through proper education about course of treatment, medication, and disease prevention Reviewed medical policies, procedures, and protocols as well as attended health promotion and community service programs Ordered diagnostic procedures and interpreted laboratory tests needed for treatment as well as documented patients' diagnosis and treatment
